

America's Favorite Woods In Living Room Classics That Never Go Out of Style

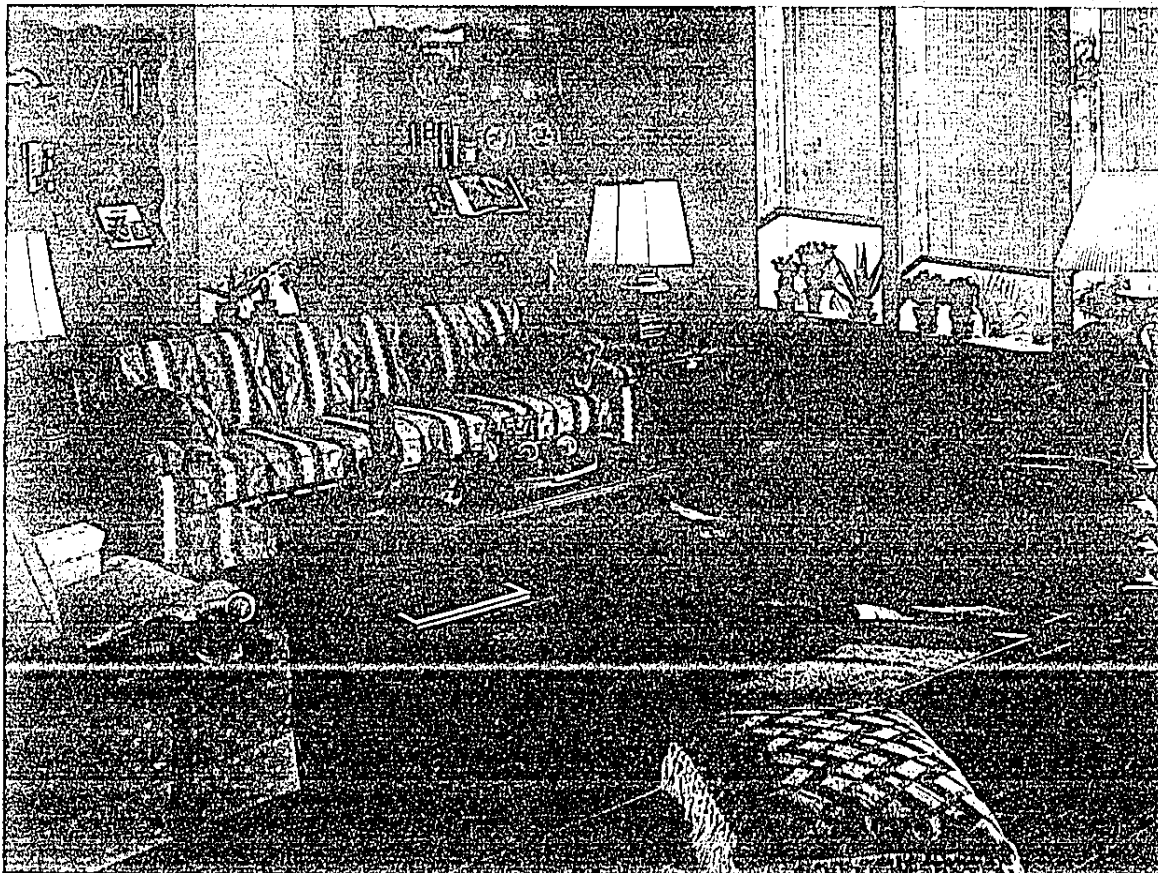

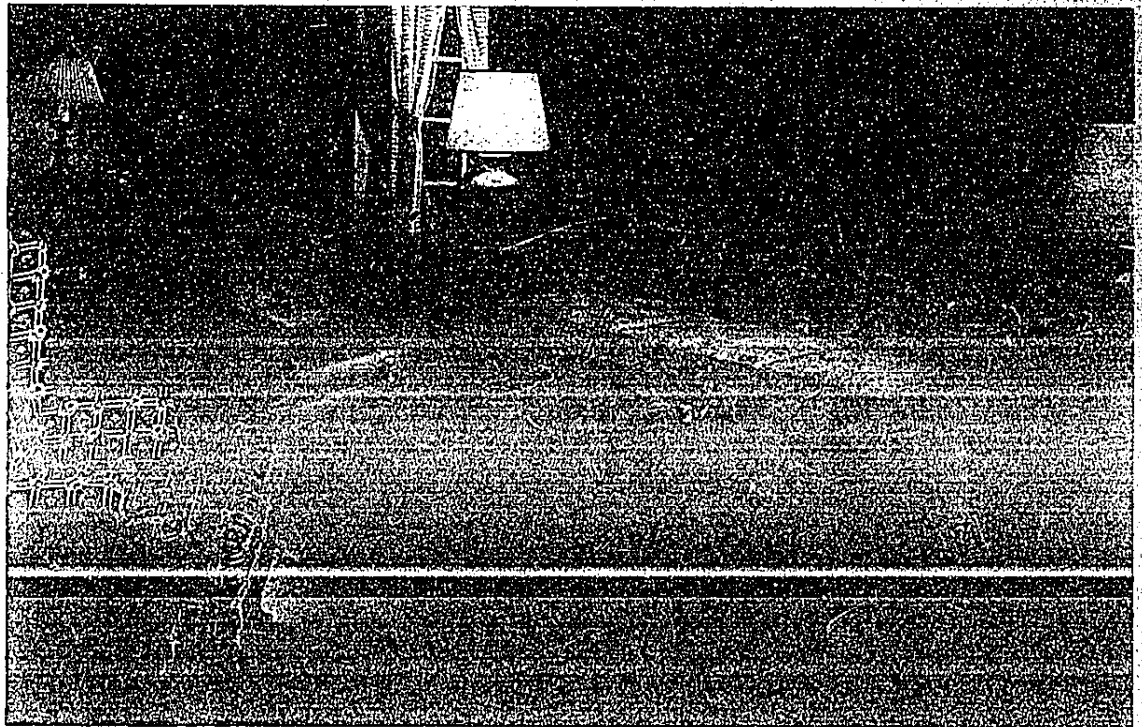

Just as upholstery creates the color and style of your living room, Ethan Allen wood pieces determine its mood and use. Come see for yourself, our great selection of classic furniture created of solid woods and veneers chosen for their beauty and decorative effect. Maybe you'll find just the perfect end table among the many on sale. Or just the right wall units to solve your space and storage problem.

Or perhaps you'll fall in love with a writing desk, secretary, sofa table or grandfather's clock!

Whatever you choose it's nice to know you will be buying value in furniture as stylish today as its heritage is proud.
