A major fix-it

Watch out for construction on Ten Mile and Inkster Road. It just could make you late for

work or for getting home to mom and the kids. (Staff photo by Harry Mauthe)

The Farmington Hills Christian Center, 23233 Drake, was the scene of a welcome for Pastor and Mrs. Edmund Lohr, on August 13. thru September 3, 1977

We stock these major brands:

• Owens-Corning Fiberglas • Dow Styrofoam • Celotex Thermmax • Oren Cellulose • Rockwool Ind. • Rockwool

With the increased costs of fuel, insulation makes even more sense than before. Make sure you get your money's worth—buy name brands from dealers who know their products—there are many "new" insulation products that "seem" to do the job, but don't.

I love baseball, hotdogs, chocolate bars and ... SFA, for having lots of Izod long sleeve polos. Mine's all striped in dark green, cream and rust, or in burgundy, cream and navy... has that neat little Izod alligator, too. Of polyester and cotton, so it can be cleaned up as often as me. Sizes 4 to 7, 11, 50.

Football heroes must always keep their cool. Know how I do it? In my classic turtleneck polo with the little 'gator' on it. It's polyester and cotton, in white, cream, red, yellow and navy made by the people at Izod for sizes 4 to 7, 9, 50.

Champion skaters-to-be, like me, deserve the best. So mommy buys me Izod crewnecks, exclusively at SFA. They're real wool, of course, in navy with stripes as bright as all my crayons. And Izod puts their alligator on them, too. For sizes 4 to 6, 11, 50.
