

## Local garden clubs named for 4 awards

Dorothy Gordon, a Farmington Hills Beautification Commissioner, left the Keep Michigan Beautiful annual meeting and awards luncheon in Lansing with four awards she accepted in behalf of four area garden clubs.

The Botsford Garden Club, the Farmington Garden Club and Hill and Dale Garden Club, all were recommended for the awards by the beautification commission, for their efforts in civic and community beautification projects.

The Botsford Garden Club, under the chairmanship of Mrs. David Thompson, planted and maintained colorful

annuals in two public sites in high traffic areas.

The Farmington Garden Club, and its president, Mrs. Harve Bock, planned, planted and maintained areas surrounding the Farmington Community Center with ground cover, shrubs and flowers.

The Farmington Hills Garden Club, under the chairmanship of Anne Eiler, planted beds of annual flowers around the Hills city hall. Another of their projects was the large vegetable garden at the Sarah Fisher Home.

Hill and Dale Garden Club, under the chairmanship of Mrs. Vernon Vickland, restored the gardens around the Community Center, working with the Farmington Garden Club.

## Deep freezer is needed

Senior citizens who gather at the Pearl Wright Drop-In Center in Royal Oak Township have had their deep freezer go out on them, and it cannot be repaired.

Volunteers at the center have asked that any one who knows of a replacement for the defunct freezer, as a donation or at a very small cost, call Helene Gottfried, at 358-1875.

## Most popular

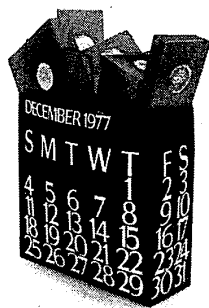

Artist Jan Rochelleau took the most number of votes from guests who attended the Farmington Artists Club show and sale in November for her painting called "Flowers." Having visitors vote for their favorite piece of art in the show is a traditional part of the club's annual exhibit. "Flowers" also won a Wibby Purchase Award.
