

The next best thing to getting LV is giving it to someone who loves it as much as you do. Here, some of the newest Louis Vuittons; all, lovingly created with the rich leather trimmings, the practically impervious brown impregnated canvas, and of course, the famous LV's that single them out of the crowd. Counter-clockwise from the top, our exclusive camera case, with front piggyback pocket, leather shoulder strap, and covered buckle, \$290. The classic double-handled satchel, the most popular Vuitton of all, \$120. Our exclusive LV envelope with zipped back pocket and wrist handle, \$200. The small camera case, another SFA exclusive, \$125. Handbag Collections.
