Busy President, Not A Politician

He's a supervisor and a president, but he's never entered a political he's never entered a president of 12, 700 Michigan Jaycees.

As president, Paglet stress Jaycee involvement "in a whole gamut of human problems, especially those of minor will be strength of the property of Michigan, 35 Jaycees will be trained to lead human resources seminars for Jaycees throughout Michigan.

UNDER PADGET'S teadership, state Jaycees also will be involved in such programs approved to the property of the delinquents, Project of the property of the delinquents, Project of the program to raise funds for a hospital boat in Vielnam, a survey of the drinking habus of the average American, and program to encourage kidney donations and purchase kidney machines.

Atthough he also is responsible for such laternal operations are property of the drinking habus of the program in continuity, state and tation. During the past three years, Padget has traveled extensive the past three years, Padget has traveled extensive the military of the drinking habus of the past three years. Padget has traveled extensive the military of the drinking habus of the past three years. Padget has traveled extensive the held many offices at the total revel and was a state vice president and one of 10 outstanding national directors.

Although and was a state to the outstanding national directors in the state of the property of the distinguished service warm from Westland, and the community service citation and the community service citation and the community service citation and the community service taken warm of the decident of the decident of the continuity service citation and the community service citation and the community service duation and the community service citation and the community service citation and

FIVE PROMOTIONS in nine years highlight Padget's career with Ford. Since 1959, he's progressed from assembly line worker to his current position as a supervisor of 21 computer programmers and "half a secretary" in the Financial and Production Applications Department.

a secretary "in or right and Production Applications Department. In addition to his supervisor; duttes, he is responsible for maintenance and operation of nearly 20 computer systems including stockholiter re-ords, webtile drafting, central arcounting and pension re-oris. He enjoys his job immensely, "even with its pressure moments and its problems." According to Padgel, technological advances in the computer fleid require a constant state of training. "No match the position—operator—programer, or supervisor—jour elucation is never this left," he was the position—in the properties of the position—operator—jour elucation is never this left," he says.

ucation is never finished, he says,
"There's always higger, betater, faster equipment, I began working on first-generation equipment which is now outdate and no longer used in the Central Proc-ssing began the Central Proc-ssing began to the Ford's Dearfulor or computer for cilities have grown tremendously. Now we have one of the largest computer centers in the world."

ALTHOUGH JAYCFE activities occupy nuch of his out-of-he-office time, Padget in a member of the Wayne Ford Civic League, the Westland Goodfellows and the P-TA. Because of her huslands suy schedule, his wife Kaycurrently limits her-community participation to the Westland Jaycee Auxiliary.

ticipation to the Westland Jaycee Auxillary.
Westland residents for almost six years, the Padigets
are "deeply rooted" in the
city "mainly because of the
people."
His free time isn't devoted to hobbies—"I just don't have
the time"—but to activities
centered around his wife and
their four children.
The family enjoys bowling,
swimming in the hackyard pool,

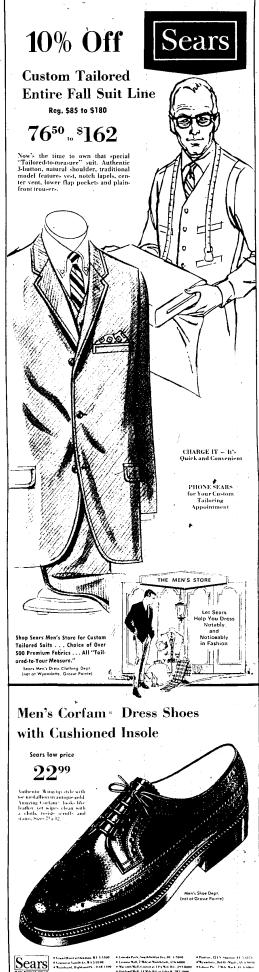

GETTING ALL SET for a fun-filled family outing are the Robert M. Padgets—Bob, Bobby, Lori, Terresa, Kay and Craig. Padget is the newly-elected president of the Michigan Jaycees and a computer programmer supervisor at Ford Motor Company.

Billing Goes Into Files

A request for Redford Township to pay a share of a \$5,500 bill for legal services was "filed as received" Monday by the township board.
It's not likely to ever come out of the files at township board descretion for serious preddenties.

board descretion for serious consideration. The request came from Dearhorn Heights Mayor John Canfield who cited that an Outcounty Board of Supervisors fight against the home rule reapporlionment cost that much nessful. Township Supervisor Addicks Bellaire told The Observer ke never particlepted in the Outcounty Board project,
