Be wary about home insulation

I would like to have insulation added to the walls and ceiling of my home but I know so little about needs and cests that I am afraid my ignorance will be taken advantage of by the wrong kind of salesman. I would like an suggestion so un might have to suggestions you might have to deep the property of the property of the property of the property of the insulation business. However, the insulation business. However, the insulation business that I am afraid my ignorance will be taken and with the insulation business. with an Individual Retirement Account at Standard Federal Savings, you can save for the future at the impressive rate of 7% %. Deduct whatever you save — up to \$1,500 a year — from your gross income or \$1,750 if, in addition, your spouse qualifies. You will defer every penny in tax on your IRA, including the interest earned, until you withdraw your funds at retirement. At that time you will probably have less income and possibly be in a lower tax bracket.

If you look out for yourself then you should look into IRA

Stop by any office of Standard Federal Savings. We'll be glad to give you the whole story.

First, read this.

The conditions of IRA are simpler than you might think. For your information, the 74% rate applies to deposits of not less than three years for deposits of \$500 or more. Lesser deposits earn at our passbook rate.

Better yet, read this.

Pick up your copy of our helpful free brochure at any office of Standard Federal Savings or phone us at 643-9600 and we will be happy to send you a copy of our booklet.
