

Before you take off, we'd like to talk to you about our "Choice" Vacation Loan.

Our "Choice" Vacation Loan isn't the same as everybody else's vacation loan because you aren't the same as everybody else.

Instead of making you fit our system, we fit our system to you. So if you want to take the full 12 months to pay for your vacation, that's fine. But what if it's more convenient to take, say, 7 months? Or 4 months? Or just 1 month? No problem. And no penalty.

The point is, with our "Choice" Loan, the choice is yours.

And our low 12% annual percentage rate is lower than the 18% many credit cards charge you. (Which means your monthly payments will

be lower.) So whether you're off to Paris or Peru, Acapulco or Alaska, first look into the advantages of a "Choice" Vacation Loan at National Bank of Southfield. Our people will be glad to help you look...before you leap.

Example: A vacation loan of \$1,000			
Length of Loan (Months)	4	8	12
Annual Percentage Rate	10.37%	11.42%	11.78%
Monthly Payment	\$255.41	\$130.41	\$88.75
Finance Charges	\$21.64	\$43.28	\$65.00
Total Note	\$1021.64	\$1043.28	\$1065.00

This chart will give you an idea of various rates. Come in and find out what yours is if it isn't shown.
