### Umpire clinics set for March

The Metro Detroit Amateur Softball Association (MDASA) is sponsoring two umpire clinics in Oakland County next month.

If you are an umpire, registration with the MDASA promises to be an invaluable investment, since 1978 promises to be the most active year in MDASA umpiring history, says Jet Farland, MDASA board member.

The first clinics will take place from 9 a.m. to 5 p.m., March 11, at the Howard Dell Community Center in Pontiac; and from 9 a.m. to 5 p.m., March 26, at the Southfield Civic Center, Parks and Recreation.

The registration fee of \$15 includes the full day umpiring clinic, required for MDASA certification; consideration for umpiring ASA district, regional, and national tournaments; official rule book; ASA monthly newspaper "The Ball and Strikes"; the MDASA umpire-in-chief bulletin "Play Ball"; and the ASA arm patch, umpire accident insurance benefit, identification card, and bat ring (for new umpires only).

For further information, contact Farland at 474-6115, ext. 12. THE MDASA umpire organization, more than 300 strong last year, is

made up of men and women who enjoy working tournament games as well as league play. ASA sponsored tournaments include local qualifiers, Metro Detroit championships, and state, national, and regional play.

To increase the chances of being chosen for tournament work, umpires must make an all-out preparation for the upcoming season, Farland says.

"Make sure you attend the area clinics conducted by the MDASA umpiring staff, take the MDASA exam as a rule refresher; look physically sharp, be mentally prepared, and get that umpire uniform, body included, in top condition," he says.

### Farmington seeks funds

(Continued from page 1A)

"It is very doubtful that any other subdivision in the city could qualify under the community development program."

About \$15,000 will be used for the housing rehabilitation program, in which loans and grants are offered to correct health and building code violations within the city.

About \$5,000 will be allocated to continue redevelopment of the central business district, including landscaping and upgrading parking lot lighting.

About \$3,000 of the grant is requested for contingency, in case any project cost is underestimated, Deadman added.
