Ghe HOME BE Thought and Shrubbery Their Care and Shrubbery Their Care and Cultivation

Here Is a Young Man Who Belongs to a New Type of Industry Made Possible by the Increase of America's Wealth. He Spends His Time Designing Bouquets for Brides.

By ELIZABETH VAN BENTHUYSEN
Many of my readers who live far
from the big ettles will be supprised to
learn that in New York city some of
the big florists employ men whose sole
business in life is to make houquets

the big florists employ men whose sole business in life is to make bouquets for brides. There has been such an enormous increase in the national weight find, so much, of it had gravitated toward the chief city of the hand that it has to find expression in many ways that would increase occur to the master of a west-area or a southern farm.

The underlying reason for the credent of the new occupation of making special arrangements for the bridge of the compact of the control of the leading way to be compact of the control of th
