

Feel Achy All Over?

To ache all over in damp weather, or after taking a cold, isn't natural, and often indicates kidney weakness. Urlic acid causes many queer aches, pains and disorders of the organs. Well kidneys keep uric acid down. Thired, dizzy, nervous people would do well to try Doan's Kidney Pills. They stimulate the kidneys to activity and so help clear the blood of irritating poisons.

A Michigan Case

Mrs. John A. Johnson, 42 E. Center St., Detroit, Mich., writes: "I couldn't get any relief from my back pain until I used Doan's Kidney Pills. They relieved the trouble and I have been bothered for a time."

ANYWAY, PAT GOT THE BEER. Grammar Competition Resulted Disastrously to the Other Two Participants in the Contest.

Pat, a Scotty and a Cockney were in company recently. They were very thirsty and hard up, having only the price of a single beer between them. Deciding to invest in this they entered a barroom and had the drink supplied.

"Well, now," said Pat to Scotty, "which would you say, 'Oin can't take this drink,' or 'Oin won't take this drink?'"

"I canna take this drink," replied Scotty. "An' you?" asked Pat of the Cockney. "I won't take this drink," answered the latter.

"Well," said Pat, "Oin will take this drink!" "And he did."

The pretty girl of the party was buttering the genial bachelor on his reasons for remaining single.

"No, no, I never was exactly disappointed in love," he murmured. "I was more what you might call discouraged. You see, when I was very young I became very much enamored of a young lady of my acquaintance. I was partially afraid to tell her of my feelings, but at last I screwed up my courage to the proposing point. I said, 'Let's get married.'"

"And she said, 'Good Lord! Who'd have us?'"—Everybody's Magazine.
