Cold Settled
In His Back

Foley Kidney Pills always give me
prompt relief. Dr. Wilmer, Reeds, Niles,
and Vinton, are the only ones who
have used Foley Kidney Pills for
backache, the result of catching cold,
which I always have had. Dr. Wilmer
always gives me prompt relief, and
can cheerfully recommend them.

The reason Foley Kidney Pills
are so effective is that they neutralize
and dissolve the poisonous
waste matter that remains in the
body after a cold. They do their work
properly in filtering out
acid and other poisons.

Relief usually follows in a few
days. If you have a backache, stiff joints, sore
muscles, rheumatism, or any
other painful and annoying ailment
that you can't get rid of, take
Foley Kidney Pills. They contain no
harmful ingredients. They
are safe, as well as quick acting.

F. H. S. Scores two Games.

In a fast and well played game
the girls defeated New Baltimore
last Friday night, 34 to 25.

The game was in doubt until
the last few minutes, when the
home team took a jump, getting
four field baskets in quick suc-
cession, thus clinching the game.

The boys' game was a one
sided affair, and was quite rough-
ly played, but was more exciting
than the score shows, 44 to 8.

The New Baltimore boys were
able to cop only one field basket.

A fair sized crowd was out
considering other places of amuse-
ment the same night.
