**DETROIT.**  
"Ben Hur" is one of the few plays of American authorship that has stood the test of time without any faltering interest on the part of the public. It played an engagement at the Manhattan opera house in New York, this season for several months, with business ever larger than at any time which was made possible by the great seating capacity of this huge theatre.

**WASHINGTON.**  
"Civilization" opens its third and last week at the Washington theatre. "Civilization" is a battle drama with peace as a background. There are duels, battles, submarines, dramedia, explosions and a sinking of the Lusitania. The sinking of the Lusitania is reproduced showing the torpedo striking the vessel and the terror of the passengers as they attempt to save themselves.

**GAVETY.**  
At the Gavety theatre commencing with "The Maid of America" will present a two-act burlesque, "The Girl from Kowloon." It is a humorous story of the activities and adventures of Lucilla, who comes from her home in the clouds to adjust and revamp certain disreputable and confusing conditions on earth.

Preferred Jesting to Surgery.  
Ambrose Pare, the renowned French surgeon, as a member of the staff of the duke of Vendome, with whom he was on close personal terms, demonstrated to his patron the use of the ligature for pressing hemorrhage. And Doctor Rubellius also had been less of the jester and attended in his practice with greater diligence, he, too, might have won greater success in this world. The creator of Pantagruel and Gargantua was a diplomat when he went with Cardinal du Bellay to Rome. The itch for political writing soon became so chronic with him that he lost his professional perspective. However, his more felicitous poem concerning the birth of a son to Henry II brought about his recall to France and re- stored to him something of the favor he had previously enjoyed.

**Take 'Em Off.**  
Vincent's mother bought some earrings and the youngster was much impressed with them, until he asked her a question, which she did not hear and which, of course, she did not answer. "Say, mother" he yelled, "if those earrings are going to make you deaf, you had better take them off."

**Buy Direct and Buy for Less**

It isn't necessary for us to take from the QUALITY to make our price. We've taken from the SELLING EXPENSE instead. We sell only through our own distributing stations; we need no road salesmen, so we save their cost. We sell to YOU instead of to retailers, so you save the retailer's charge for expense and profit when you buy Bond's clothes.

**Spring Clothes for Men and Young Men**

Just One Price **15** The Year Around

**All the Newest New York Fashions**

Mere words cannot do justice to these new styles. They're GREAT. Every man who comes here for his spring suit or topcoat is going to become the possessor of a garment that will be MONTHS AHEAD IN STYLE and strictly DEPENDABLE IN QUALITY. We employ a designer who is as good as money can hire; he copies every style as soon as it appears on Fifth Avenue. Not only that, he CREATES styles that become exclusive with Bond's.

**Buy Bond's Fifteen Dollar Clothes**

—and save the retailer's profit and expense charge. That charge does not buy quality, remember. Why pay for it? To those men who have never bought a Bond \$15 garment, we say—COMPARE OURS WITH ANY OTHER STORE'S \$25 VALUES. After you have thoroughly examined each, we will leave it up to your own good judgment as to whether or not you want to pay \$10 more than Bond's price when you certainly will NOT get \$10 more in quality.
