"Why Did You Take My Cattle?"

The second se

passed, there recurred to an antion at the forward edi of Alint's coach. A group-to efficient classes of the anti-and among them was one who could be none other than Luis Longorio. As be came (some the passageway Alatter Identified him without the aid of his insignin, for he stoot head and shoul-ders abové his companions and bore himself with an air of autority. He was unusuilly tall, at least six feet three, and very slim, very lithe; a young mani, his checks were giftishly smooth and of a clear, pale, olive thit; his eyes were large, bold, brilliatt; his nostris thig and seasity used upon the general's contenance as he pushed briskly through the crowd, turaling his head from Ale to dat ha start of them you have been being the a start of startied amorganet.

The Austin's business occupies his different is a different is different i

teenserves upon her with a start of startied amazement. Alaire fait herself color fainty, for the man seemed to be scanning her from head to foot, taking in every de-fail of her face and form, and as he did so his expression remained unal-tered. For what seemed a full minute Longorio stood rooted; then the stud he howed with the space of a courter until Alaire saw the part in his oily black hair. "Senora! A thousand apologies for my delay." he said, "Caramba! I did not dream-I did not understand your message." He continued to regard her with that same queer intensity. "You are General Longoriof." Alaire was supplied to note that her volce quavered ingerating, and annoyed to feel her face still flushing." "Tour obdient Seriant." Longorio, with a brasque command, routed out, the occupant of the seat abend, and, reversing the back, too's a non stinking his andmiration. He seemed enchanted by her pale bearty, her is regarding hairs. Monter patied and with Latin boldness he made his feelings cassiy manifest. "You probably know why I wished to see you; 'Alaire began. Longorio shook his head, in Farge."

Alaire is flattered by Longo-rio's extravagant attentions, but they soon become mighty irk-some-as described in the next installment.

(TO BE CONTINUED.)
