Canada Offers 160 Acres Free to Farm Hands

Bonus of Western Canada Land to Men Assisting in Maiataining Needed Grain Production

The demand for farm labor in Canada is great. As an inducement to secure the necessary help at once, Canada will give

ONE HUNDRED AND SIXTY ACRES OF LAND FREE AS A HOMESTEAD

and allow the time of the farm laborer, who has filed on the land, to apply as residence duties, the same as it he actually had lived on it. This special concession is the reduction of one year in the lime to complete duties. Two years residence instead of these as heretofore, but only to men working on the farms for at least six months in 1917. This appeal for farm help is in on way connected with enlistment for military service but solely to increase agricultural output. A wonderful opportunity to secure a farm and draw good wages at the same time. Canadian Government will pay all fare over one cent per mile from St. Paul or Duiuth to Canadian destination. Information as to low railway rates may be had on application to

Japanese embroiders, now so popular in litis country, is one of the oldest arts of the mikndo's people. For centuries hefore the country was opened to foreign intercourse heartly embroidered slik klimones, screens, and other articles were made by professional embroidery experts, principally if Kyoto. This same profession condinues today, having been handed down from father to son for many genjerations. For this reason the center of the country's art-embroidery industry is at Kyoto, although cheaper embroideries, principally for export, are produced in large quantities in other part of the Kobe district.

The majority of the workers in Kyoto from my my produce the fane grades of embroidery. It is essentially a household industry, and is usually conducted in small shops, where from three to ten apprentices and skilled embroidery, are employed.
