"They help me so much and I find relief as soon as I begin taking your 'Poley Kidney Pills.' Mrs. Frank P. Wood, Morrill, Maine, R. R. No. 2.

Sometimes it seems as if you can't stand the pain across your back. It is just making your life miserable and robbing you of all energy and strength. When you are constantly tired, head aches, aching nerves, on 'Poley Kidney Pills' and burr-

then is the time to start in at once on 'Poley Kidney Pills.'

They strengthen the weak, alling kidneys, improve their action, enable you to throw off the poisons that cause your trouble. Your nerves grow peaceful, sleep becomes sounder, nervous headaches disappear. As Mrs. Wood says: 'I find relief as soon as I begin to take your 'Poley Kidney Pills.' Be sure you get the genuine 'Poley Kidney Pills' for the purely medicinal and contain no harmful drugs.

Methodist Church

Rev. James Priestley, Minister.

Sunday morning the pastor will continue his sermon on the "The Sower, Seed and Soil." The congregation last Sunday was very fine, and all who heard the sermon will want to hear the close.

A new record was set last Sunday morning in the Sunday school. We had the largest attendance and offering in the history of the school. There were in attendance 146, and an offering of \$5.08. This was splendid, but we are anxious to do even better.

A story for the children will be told by the pastor at the morning service. The story is entitled "Angels." Every boy and girl will like the story.

The service in the evening at 7 o'clock will be a service of help to all. The pastor's message is one you greatly need. Be at this service and bring your friends; they will enjoy every part of it.

The liners are money getters.

William B. Hatch, proprietor of Hatch Herd of registered Holstein-Friesian cattle, of Ypsilanti, Michigan, whose auction advertisement occurs elsewhere in this issue, has been breeding a choice line of Blacks and Whites for the past ten years. He says this is the best line of offerings he has ever put into any sale and he hopes they may be purchased and further developed in southern Michigan. Mr. Hatch was a member of the American Commission representing the state of Michigan (which studied co-operative agriculture in thirteen European countries) a year before the war broke out. The studies took him thru Holland where this breed of cattle has been practically the exclusive breed for a thousand years. He has tried to follow the original type in breeding Hatch Herd and not follow the fancies of faddists. This sale promises to be largely attended. As Mr. Hatch well puts it: "This is the time to 'beat' scrub bulls and cow 'boarders' and substitute something profitable. The real war demands for food is certain to make dairy products in much greater demand." 26-27c.
