### OPERATION OF **NEW DRAFT LAW**

Official Instructions Concerning the Raising of Military Forces Determined On.

POLLING PLACES TO BE USED

All Persons Within the Age Limits
Prescribed by the Law Must Present Themselves There—Governors of States at Head of
Registration Work.

Washington.—With the object of stimulating publicity to the work of raising the military forces called for under the army draft law the war department has issued the following in structions, which will govern

<del>ខ្ពស់សស្តសសន៍សស្តសស្តសស្តសសង្គបានដែ</del>ងជា the the same of the country's history when military when military enumerators, backed by being the same of the sam 

The approval of the new national army bill and the president's proclamation: thereunder have been coincident. All persons within the age limits operative are required to present themselves for registration at the customary voting places, in the voting preclins; which they have their perunsent bomes, on a day which the president will announce.

The governor of each state is the clied or registration to neach county is in charge of the sherift, the county clerk, and their county physician, acting ex officio, unless a different beard signal be announced by the governor. In cities containing populations of more than 50,000, the registration. In order that the disliganted county and selected boards of registration. Purchase Al Supplies Needed by the Al lied Countries.

Washlegion. Overdion of a central purchasing committee in Washington for all simplies bought in the United States for the allied governments was roccast here by St. Hardman Lever, financial expect of the British war mission. The committee will supplant J. P. Morgan & Co.

Discussing the world financial situation, the British exipert expressed the opinion that Germany will be practically bankrupt in the credit markets after the war. "In he said, "for all their boasted efficiency, have never had the courage to fake their financial problems, with this result that when the war is over they will be hard put to III. The Tentione governments having pyramisted and internal loan apon another, he explained, their interest charges would be an great that he believed they would either have to repudiate a large part of their debt or face imbility to by the enormous quantities of material they would need for reconstruction.

'The aillies, he added, had paid their way in the war. "by the stringlishorward and natural means, by pouring out their gold, by selling enormous masses of American securities, by raising loans," As a result, he peedleted that the end of the war would find the aillies in good shape financially, despite their enormous permanent debts.
