Like the Red Blood of the North!

If you were to live the hearty, outdoor, and active life of the Northerner you would not be suffering from a lack of Red Blood. You would come naturally by; and all your constitution could use. But civilization has weakened your supply, has made you a tired and weak being in comparison.

This is a Sensible Health Builder!

Iron is the natural, sensible, sure builder of cell and tissue. Iron is the one acknowledged Blood Creator by all prominent physicians. But the treatment of iron will have little benefits if your system is clogged and unclean.

Laxated Iron

TO CLEANSE THE SYSTEM AND CREATE BLOOD
The combined elements of this formula are bound to do your system good. First the bowels must be regulated—(Laxated Iron has laxative qualities.) Then the Iron contained in these tablets will surely build your system up from its weakened condition, creating more blood. You will have more strength.

Act Today—Act for Good Health!

Act for better living and keener enjoyment of things. Laxated Iron will do it. Order a bottle of sixty tablets today and watch the sure process of New Vigor come to you.

There was every indication of a fast track, the day a sunshine being attended by a drying temperature which made the going fast.
Two of the fastest horses at the track, Pan Zaretta and Hanovia, are coupled in the Colton entry for the handicap and were sure to get the heavy play. Other starters in the race, which is for a mile, are Baby Lynch, Gordon Russell, Sasin, Thill and Greenwood.
Every field on the program is well filled. The card opens with the race for two-year-olds, in which 12 thoroughbreds are scheduled to go to the post. With the exception of the third event, which is a claiming race for four-year-olds, the rest of the day is devoted to competition between three-year-olds and aged horses.
More Than 600 Horses.
There are now over 600 horses stabled at the Devonshire and Kenilworth tracks. There are 40 licensed jockeys ready for the saddlework.
The meeting will be conducted under the rules of the Canadian Racing Association, while there is only one change in the officials over last autumn, Ed Jasper being clerk of the scales in place of Charles Campbell, who will officiate at a track in Montreal which opens next week. Jasper arrived in Detroit Friday night from Kentucky.
