Bronchial Coughs are not trifling. They are even menacing if allowed to hang on all winter. Foley's Honey and Tar will check them. For sale by T. H. McGee, Farmington.

The food preparedness board and the county agent very earnestly suggest that everyone secure their seed corn, beans and potatoes as early as possible, as the supply of seeds is becoming very much scarcer every day.

Local News

Next Wednesday is Memorial

Day. Green vegetables are as important a food as meat.

Hail and wind did considerable damage in this part of the county last Saturday night. Just north of the village a number of window panes were broken in farm residences and outhouses and small buildings blown over. The hardware was kept busy for some time cutting glass later in the evening to replace the broken ones.

We have noticed that when a man finds fault with his local paper the chances are ten to one that he hasn't an advertisement in it; five to one that he never gave it a job of work; three to one that he is delinquent in his subscription; even money that he never did anything to assist the publisher to make it a good paper, and forty to one that he is most eager to see it when it comes out.
