Old Folks Saved From Suffering

Mrs. Mary A. Dean, Taubert, Miss, in her 87th year, says: "I thought I was beyond the reach of medicine, but Foley Kidney Pills have given me most beneficial in my case."
Mr. Sam A. Hoover, High Point, N. C., writes: "My kidney trouble was worse at night and I had to get up from five to seven times. Now I do not have to get up at night and consider myself in a truly normal condition, which I attribute to Foley Kidney Pills, as I have taken nothing else."
Mr. A. A. Bridges, Robinson, Mass., says: "I suffered from kidney ailments for two years, and was taking Foley Kidney Pills six months ago, and though I am 61 years of age, I feel like a 40-year-old man."
Foley Kidney Pills are a gentle, non-damaging and restorative normal action to the kidneys and to a disordered and painful system. They act quickly and contain no dangerous or harmful drugs.

To Farmers Ordering Seed Potatoes.

At the meeting in the Town Hall last Saturday night, it was found that over 800 bushels of potatoes were desired by farmers in Novi and Farmington townships. Seed potatoes have been difficult to locate of late, and a price of \$3.00 was usually asked, but on Tuesday a car was located in Montana county, which is due to arrive at Novi next week, and will be sold out at \$2.25 per bushel.

The bill of lading with sight draft for the potatoes, will be sent to the Farmington Exchange Bank for collection, so it will be necessary for those ordering to pay there this week and get their order for the number of bushels wanted.

When car arrives the quantity desired by all may be more than the car contains. If so they will be distributed around as far as possible, and if any orders have

to be cut the money will be returned for the portion not delivered. Potatoes will come 2 1/2 bushels to the acre; so try and make your order accordingly. Order Food Preparedness Com. H. N. McCracken, Co. Agt.

CHURCH NOTES

Methodist Church

Rev. James Priestley, Minister. Last Thursday afternoon the Ladies' Aid met with Mrs. L. C. Havens. There was a good attendance. After the business session the ladies made a goodly number of useful articles for the Red Cross and the hostess served a dainty lunch. The next meeting will be with Mrs. L. McArthur.

Sunday the pastor was away, and through some misunderstanding no evening service was held. Rev. C. S. Lee, a former pastor, occupied the pulpit in the morning.

The service next Sunday morning will be the memorial service. The members of the G. A. R. and W. R. C. will be at this service and every patriot should be present. The pastor will preach on the subject, "Breaking up Camp—A Retrospect."

Again the Sunday school broke the record of attendance. When the present pastor took charge he suggested that the Sunday school set its goal for attendance at 150. Last Sunday the number present was 161. This was fine; let us do even better.

The service Sunday evening should be attended by every one in the community, especially the farmer. The pastor will discuss the subject, "Feeding the Nations—America's Problem." This is a most vital theme. You will do well to come early to get a seat.

Prayer meeting Thursday evening at 7:30. The topic for this meeting is "The Large Souled Jesus," Matt. 5: 21-24; 1 Peter 2: 21-24; Luke 23: 33-34; Mark 2: 15-17; Ephesians 4: 25-32. This is the second study on this topic.

Universalist Church

It was very gratifying to the membership of this church Sunday to see such a splendid congregation out to hear Dr. Moore, of Detroit, discuss the subject of "Prussianism," which is uppermost in the minds of Americans today. Dr. Moore gave the subject a wide scope and showed plainly the good and evil sides of the principles of Prussianism. It was a talk which gave a wider view, and with the Bible text he employed, one received a deeper meaning than what we commonly conclude from the surface. Aside from the sermon, Mrs. Tompson, of Southfield, rendered a solo and Dr. Moore sang the revised verses of the old familiar hymn, "Onward Christian Soldiers," which was well received by those present. All are cordially invited to attend the next service, of which notice will appear in this paper.

Baptist Church.

Rev. J. W. Salton, Pastor.

Last Sunday we had another day of blessings, for which we are thankful to the giver of all blessings.

We are trying to make the
