In His Back**"Foley Kidney Pills always give me  
prompt relief."—Ed. Nelson, Rogers, Neb.  
Ed. Nelson, of Rogers, Neb., writes:  
"I have used Foley Kidney Pills for  
backache, the result of catching cold  
while settled in my back. Foley  
Kidney Pills always give me prompt  
relief and I can cheerfully recom-  
mend them."  
The reason Foley Kidney Pills act  
so satisfactorily is because they nat-  
urally dissolve the soluble  
waste matter that remains in the  
body because the kidneys do not  
do their work properly in filtering  
and casting out from the system waste  
acid and other poisons.  
Relief usually follows in a few  
days and such eruptions as skin  
in the sides or back, stiff joints, sore  
muscles, rheumatism, too frequent  
action of the bladder at night, and  
other painful and annoying ailments  
disappear. Foley Kidney Pills con-  
tain no harmful ingredients. They  
are safe as well as quick acting.
