Bond's \$15 Clothes

Put the "Thrift" in Thrifty
Here's How—and Why!

Fifteen Dollar Clothes were "just \$15 Clothes" to the man of this city until Bond began to sell \$25 values for \$15. And we can do it because we're equipped. Our own New York factory makes the clothes; we sell direct to the wearer through our own outlet stores; we eliminate all unnecessary selling expense; we cut off the retailer's charge for profit and expense. What they charge \$25 for, you can buy at Bond's for

**Style, Quality, Variety—all Just as
You Want them—and all for \$15**

You don't have to pay \$25 to get the dependable quality you seek, the style you like best and have a variety to select from. The sooner you visit Bond's the sooner you'll be convinced. Are you going to throw \$10 away or will you save it—by paying \$15 at Bond's instead of \$25 elsewhere?

Palm Beach And Clothes of Other Summer Fabrics

State Constabulary Remains.

The war preparedness board agreed in addition to add other troops as fast as requirements warrant. There is a decided sentiment in favor of putting another contingent of troops in the upper peninsula, where private reports indicate trouble from the I. W. W. is feared.

DeLuxe Bodies for Fords

DE LUXE SALES CO., Distributors, 846 Woodward Ave. Grand 5244

Touring \$276 Mounted.

THESE fine "De Luxe" Bodies have been designed and are built with all the care that is given cars which cost five times as much. We have added features of convenience, all of which are not found even in the highest priced cars. Touring front seats are divided, as in the most costly cars and may be reversed to face the rear or may be entirely removed, giving plenty of room for camping outfit and bed in the car while touring. You don't need a camping trailer. Also the front seats are movable forward and back any part of eight inches, providing the comfort of proper and ample leg-room for all drivers. These novel and convenient features in combination with the snappy "V" radiator, sloping hood, splendid upholstery, handsome clear vision ventilating windshield, graceful crown fenders and special "Neverlock" one-man top, put the driver of a "De Luxe" equipped Ford in the really "dressed-up" motor car class.
