Universalist Church

The Ladies' Union held a most enjoyable meeting at the pleasant home of Mrs. Forest Pierson on West Grand River last Thursday afternoon. The day was an ideal one, enabling many of the older members to be present. There were nine elderly ladies who have

been connected with this church, some only socially, others as members for at least 40 and 50 years back, and someone remarked that it certainly was a real Ladies' Union, with so many of them there. Business came first—discussions of Red Cross work, and an interesting program was carried out. Mrs. Clarence Everett gave a humorous reading, which was very amusing, rendered in a nice manner. The Misses Helen Steel and Adaline Wikom each recited poems "Betsy Ross" by the former, and "When Father Rode the Goat," by the latter. Both were generously applauded and Mrs. Pierson and daughter Tessa delighted the company with a violin and piano duet, which was given in their usual pleasing manner. A real social time was had while lunch was being prepared, which consisted of cabbage salad, ham sandwiches, fruit salad, cake and cold tea. All did ample justice to this delightful supper, which ended the afternoon's pleasures. The next meeting will be held with Mrs. Cloyes Steele July 13th, and all members and others interested are urged to be present.

Methodist Church

Rev. James Priestley, Minister. The Woman's Home Missionary society met Tuesday morning with Mrs. MacArthur. Another new member was added to the list, and there are others to follow. A most enjoyable time was had, and both societies were helped by the social intercourse.

What to Do When

Backache Comes On

"Foley Kidney Pills have done me more good than \$150.00 worth of other medicine." Chas. N. Fox, Himrod, N. Y.

When backache comes on and it seems as if you can't stand the pain and pressure across the small of your back, hurry to your drugist and get relief through a box of Foley Kidney Pills. They will stop the cause of that pain very quickly, cure the sluggish kidneys to regular action, enable them to throw the poisons out of the blood. They will get rid of pain and rheumatism for you, quiet nerves, stop your backache, and liberate your stiff joints and sore muscles.

Frank W. Sherman, Leacon, N. Y., writes: "I suffered with kidney trouble, had a tired feeling in my back, did not have any ambition. And I tried out. I used Foley Kidney Pills and in a few days began to feel better, and now I have entirely recovered."
