service to Ann Arbor.**What to Do When  
Backache Comes On**

"Poley Kidney Pills have done me more good than \$100.00 worth of other medicines."—Clara N. Fox, Stamford, N. Y.

"When backache comes on and it seems as if you can't stand the pain and pressure across the small of your back, hurry to your drugist and get relief through a box of Poley Kidney Pills. They will stop the cause of that pain very quickly, stop the sluggish kidneys to regulate the circulation, enable them to throw the poisons out of the body, stop your backache, and relieve rheumatism for you, quiet your nerves, stop your headache, and give you up your stiff joints and sore muscles."

Frank W. Sherran, Leona, N. Y. writes: "I suffered with kidney trouble, had a tired feeling, my back ached, did not have any ambition and felt tired out. I tried Poley Kidney Pills and in a few days began to feel better, and now I have entirely recovered."
