Cure for Lumbago**Rheumatism and lumbago are awful things and cause great pain and misery, but Foley Kidney Pills can rout them.
Mrs. G. H. Evesland, Duncan Mills, Ill., writes the following letter: "I was stricken down with lumbago and was unable to turn myself in bed. A neighbor brought me a half bottle of Foley Kidney Pills, and said she had been similarly afflicted and that they had helped her. So I tried them and was completely relieved by the use of two or three bottles. I have had splendid success with them and have never known them to fail. I most heartily recommend Foley Kidney Pills."
Foley Kidney Pills tone up weak, inactive, sluggish kidneys, rid the body of poisons, give appetite, energy and refreshing sleep after pain. Don't neglect kidney trouble. Remove the cause with Foley Kidney Pills.
