

Twelve Remarkable Lectures

to take the place of the Evening Service in the Farmington Baptist Church

Rev. Emanuel Halliwell, of Detroit, will begin **Sunday Evening, October 28th**, to deliver a course of lectures on the "STORY OF THE BIBLE." This will be something new in the way of Bible preaching. Rev. Halliwell is a Bible student; he has a knowledge of the Bible as few men have, and he is able to tell the whole story in an interesting manner. Beginning with God and all other created beings and things, he will follow the great drama of life through to the end of time, giving a marvelous insight into the whole plan of the ages, and prophecy, as well as past history. Some of these lectures will be dramatized, and will hold the audience spellbound to the close. A cordial invitation extended to all.

THE NEW LIBERTY LOAN

Will occupy the minds of our country all of October. Farmington is going to do her share, as she always does. We feel that with patriotic co-operation the local Liberty Bond Committees will reach any goal that is set for them. This Bank stands ready to shoulder its full share of the burden. You can depend on US. The government depends on us BOTH.

Nearly every truck, automobile or other vehicle going through the village last Sunday afternoon, headed for Detroit, and there were hundreds of them, was loaded to their capacity with potatoes, apples and other farm produce. A story of one bunch in a truck is that they went to one of our farmers and demanded 300 bushels of potatoes, stating that they had called him by phone and he agreed to furnish the tubers. He ordered them off the place, with the injunction that he would not sell them a potato under any circumstances.
