The Ford Coupelet is a most practical two passenger car with room enough for three. It is really two cars in the one —an enclosed car of pleasing appearance for inclement weather, summer or winter, while the large sliding plate glass windows with removable pillar, make it possible to transform it into a most delightful open car. Top is permanent saving trouble of raising and lowering. Comfortable deep upholstering—a car of class and comfort. Price \$560 f.o.b. Detroit.

MUST, ADVERTISE
In a report of the Milford Farmers' Club meeting in that village, the Milford Times quotes one of the state speakers as Isaying, that to better the condition of the dairy business in particular, and incidentally all other lines of farming, the farmers "must organize and advertise." In part he said:
"By advertising we could so increase the milk consumption that there would not be bows enough in Michigan to supply the Idemand. By using the newspapers we can get their help in forming public opinion, which we must have behind our project."

In proof of his assertion he

forming public opinion, which must have behind our project in proof of his assertion cited the automobile indus and the breakfast food concept which have "male their bust through advertising, for wit they spend annually a comprehensive of their income."

Newspaper advertising is greatest selling force in world today, and the sooner farmer as well as the small to merchant learns to recognize fact the better off will they well as the consuming public
