Secretary of State C. C. Vaughan has requested all auto owners who desire their licenses by January 1st, to send in their applications at once. If they are held back until January it causes not only delay to the applicant, but great confusion to the state department. Those living in this section can secure their licenses at Detroit by going after them—no plates mailed from the Detroit office. You can secure license blanks at the Enterprise office.

Coughing Tires the Old

Hard winter coughs are very trying to elderly people. They mean loss of sleep, and they deplete the strength, lower vitality, weaken and wear out the system.

Foley's Honey and Tar stops coughs quickly. It is a standard family medicine that contains no opiates, and is noted for its quick effect on coughs, colds, croup, bronchitis and whooping cough, and the chronic coughs of elderly people.

J. B. Williams, Trenton, Ga., over 23 years old says: "I have used Foley's Honey and Tar with the best and surest results."

ANOTHER CANARD SPIKED

Last week Charles Whitfield, representative of the Oakland County Red Cross Chapter, distributed 208 Knit Khaki colored sweaters among the Oakland county boys at Camp Custer, entirely refuting the story being circulated in some quarters that the Red Cross was requiring each soldier to "purchase" a sweater.

Such stories are either circulated through ignorance or in a malicious intent against the government, and should be "run down" and stopped as soon as their denial can be substantiated. The Red Cross, the Y. M. C. A. and other accredited working organizations for the comfort, health and success of the boys in the service of the government are maintained by the donations of the "stay-at-homes," as their part in winning the war, and not by the "sale" of any commodity.

HEALTH OF THE WOMAN

Today women wage earners are represented in nearly every branch of commercial activity. The question of the health of women workers is one of the utmost importance, not alone on account of the inefficiency of the individual but because the future welfare of the race may be materially affected by the health of these potential mothers. A woman's nervous organization is more sensitive than that of a man. In many trades, occupations and employments this very fact has been responsible for woman's success. Good tact and deftness are qualities which should be cultivated in order to enhance the value of the service of female employees. No woman should try working "on her nerves." This practice may be kept up for a while, when pleasure or the demands of business tempt one to rob herself of the necessary amount of rest. Invariably one foots the bills and in the end the reaction is a dangerous one.

Do you want the soldiers to hear from home? Farmington has some of her boys in training. We are all their friends! "Back home," and the Enterprise is the one big faithful letter that goes to them each week. Your line to be some item, large or small, concerning yourself or friends, which will brighten the hours that they are doing for us as soldiers have to do. Phone your news to 10 or 25. We will cheerfully receive it.

Look out for a one-dollar bill that is raised to a five. The trick is turned by pasting a figure "5" cut from a cigar box stamp, over the figure "1" on the dollar bill. It is said they passed a number of banks and business houses in Pontiac without detection. There is also said to be a \$5 reserve bank bill raised to \$50. The latter will not cut much figure with the majority of people, however, as a \$50 bill is a "stranger" to most of us.

The Battle Creek Evening News of November 19th announces the marriage of Maebelle Felt and Thomas R. Bacot, which occurred Saturday, November 17th. The ring service, by Rev. G. E. Barnes, of the First Presbyterian church of Battle Creek, was used. The bride, whose home is at Plymouth, was formerly a resident of Farmington, and is a sister of Mrs. Carl Isaminger, while the groom is at present in the 330th field artillery at Camp Custer, and is well known here. Mrs. Bacot will remain at Battle Creek during the time her husband is in training at the camp. Together with other friends the Enterprise wishes them happiness and success.

Baptist Church

Rev. J. W. Salton, Pastor.

Rev. E. Halliwell will lecture on the "Dispensation of the Nation Ruled by Human Kings," next Sunday evening. (This is a part of scripture that is more or less of a middle to most people, but he will make it all very clear by means of a large chart. Everybody welcome.

Universalist Church

Sunday afternoon a goodly number were out to hear Dr. Moore speak on the subject "When Peace is Hell." All enjoyed Dr. Moore's explanation. He stated that he did not give it out as a sensational topic, but because from his viewpoints, all of which were very clear, he felt that there was or could be such a time. The congregation were very sorry to have him announce that until spring he could not be with them again, as he is without an assistant in the Detroit parish, on account of their practicing war economics. Every one will regret his absence, as the meetings have been much enjoyed by all. Further services will be announced through this column.

The Ladies' Union held a very pleasant meeting last Thursday at the home of Mrs. Chamberlain. After the business hour, the ladies did plain sewing, filling in the time most profitably. They will make orders this winter for sewing, and receive you everything will be well done. The next meeting will be at Mrs. Mary Crosby's Friday after Thanksgiving. Come early bring thimbles and needles, and expect to see immediately you arrive. A fine social hour will also be your portion.

Methodist Church

Rev. James Priestley, Minister
Sunday morning service at 10:30; the pastor will preach the fourth of the series on "The Lord's Prayer." The theme for Sunday morning's sermon will be "Praying for Daily Bread." This is a most interesting subject at this time when food conservation is in our minds. You should not fail to hear this message.

We had a most interesting session of Sunday school Sunday morning last, a fine attendance and a splendid interest. Sure you will be there next Sunday. Every man in the community should become a member of the Men's Bible Class.

Last Sunday evening the pastor was delighted to see such a good congregation; it was the largest since conference. Next Sunday evening we expect a larger congregation. The pastor will have an up-to-date message that you will enjoy.

Thursday evening, November 29th, a special Thanksgiving service will be held at 7:30. Let us make this a service to be remembered. We hope to have a special preacher for the occasion. Everybody come and bring your friends.

The Ladies' Aid met last Thursday with Mrs. M. B. Pierce. There was a good attendance, and a fine meeting was held. The next meeting will be held with Mrs. Leon Green the third Thursday in December.
