For Tired Women**With Aching Heads**

"They help me so much and I find

relief as soon as I begin taking your

Foley Kidney Pills," Mrs. Frank R.

Wood, Morrill, Maine, U. S. D. No. 2.

Sometimes it seems as if you can't

stand the pain across your back. It

is just making your life miserable

and robbing you of all energy and

strength. When you are constantly

tired, head always aching, nerves "on

edge," kidney action painful and bur-

n-ing, then is the time to start in at

once on Foley Kidney Pills. They

strengthen the weak, alluring

kidney, improve their action, enable

them to throw off the poisons that

cause your trouble. Your nervous

system, sleep becomes sounder, nerve

headache disappears. (As Mrs. R. Wood

says: "It is relief as soon as I

begin to take your Foley Kidney

Pills." Be sure you get the genuine

Foley Kidney Pills for they are

purely medicinal and contain no

harmful drugs.
