

TO GET up in the morning tired and unrefreshed, with a dull, heavy head, often amounting to headache, to feel low-spirited and "blue"-are symptoms of self-poisoning by food poisons, not neutralized or eliminated by bowels, liver and kidneys acting in harmony.

Beecham's Pills

help to remove the cause of this trouble. They act gently and safely, but also very efficiently.

Sold by druggists throughout the world. In boxes, 10c., 25c. Directions of Special Value to Women are with Every Box.

What Moves Men.

'Man does not live by brend alone,
but by the ideals that sit his heart,
observes a writer. Napoleon's meawere struggling through the snow and
cold and discouragement of Alpine
passel. Would they ever come through?
They did, but the great French leader
fred their souls. He called them to
look down upon the smiling plains of
Italy, its warm waters, its orange
grives, its confortable cities, its
whole Jure and romance. For things
like these men work and fight.

W. N. U., DETROIT, NO. 1-1918.

If somebody fell you that the average lift of an officer in the trenches is a nine days and that if your boys gets into the tront time he is certain to the transition of the trenches is a nine days and that if your boys gets into the troot time he is certain to the transition of the properties in the probably get is "information" from German propagada, since our Teuton friends seem both on trying to frighten us out of this war. No losses were more excessive than those among the British infantry officers/during the first year of the war. When they fought a losing fight, without artillery support, and insisted on exposing themselves in conspictious uniforms. The percentage of causalities among them for the first year was 18.3, according to the official figures.

The percentage of causalities among uniform the first year was 18.3, according to the official figures.

The percentage of causalities among their fernch army was 5.31 feer cent in 1024, 4 per cent in 1014 of 270 months was a little over 12 per cent.

RELIABLE PRESCRIPTION FOR THE KIDNEYS

were many years druggiffs have watched with much interest the renarkable record maintained by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder medicine; is a physician's prescription.

Swamp-Boot is a strengthening medicine. It belps the kidneys, liver and bladder do the work nature intended they should be.

Swamp-Root has stood the test of years. It is sold by all druggins on its merit and it is not a sold by all druggins on its merit and it is not be a many friends.

Be sire to get Swamp-Root and start treatment at once.

However, if you wish first to test this great preparation send ten' cents to Dr. sample bottle. When writing be sure and mention this paper—Adv.

both, in the discretion of the court, and in addition 100 per cent of the tax evaded.

As to the Farmers.

The number of farmers who will paylineone taxes has not been estimated by the government officials, but it is certain they will form a harge perceitise of the 6,000,000 person, assessed who never before have paid an incode they have proved the services of government of of gov

ATTENTION! Sick Women

To do your duty during these trying times your health should be your first consideration. These two women tell how they found health.

tell how they found health.

Hellam, Pa.—"I took Lydia E. Pinkham's Vegetable Compound for female troubles and a displacement. I felt all run down and was very weak. I had been treated by a physician without results, so decided to give Lydia E. Pinkham's Vegetable Compound a trial, and folt better right away. I ham keeping house since last April and doing all my housework, where before I was unable to do any work. Lydia E. Pinkham's Vegetable Compound is certainly the best medicine a woman can take when in this condition. I give you perhission to publish this letter."—Ars. E. R. CRUMINIO, R. No. I, Hellam, Pa. Lowell, Mich.—"I suffered from cramps and dragplacement. I began to take Lydia E. Pinkham's vegetable Compound whitel gave me relled at once and restored my health. I should like to recommend Lydia E. Pinkham's remedies to all suffering women who are troubled in a similar way."—Mrs. E. INSE HEIN, R. No. 6, IDN 83, Lowell, Mich.

can fill those requirements all right, but I would have to have a little instruction before I could spay liquid fire and send over wares of poison gas."

The Chase as an Exercise.
The chase as in exercise for the rulling casts in Germany has survived into
our own time, states a writer. Every
Prassian officer had to spend part of
the time hunting, not force merelybut deer and loar as well. Royalty
still went. In state to the boar-seekinf,
and stag hunt, with hundreds of bester's and a tremendous retinue. The
slauphter still hounted into the hundepast.

Scenes of Prosperity

The thousands of U. S, farmers who have accepted Canada's generous offer to settle on homesteads or buy farm land in the provinces have been well repaid by bountiful crops of wheat and other grains. Where you can huy good farm land at \$15 to \$30 per acr — get \$2 a bushel for wheat and raise 20 to \$40 bushels to the acre you are bound to make money—that's what you can do in Western Canada.

In the provinces of Manitobe, Sakatchewan or Alberta you can get a

HOMESTEAD OF 160 ACRES FREE

HOMESTEAD OF 160 AC
and other land at very low prices.

During many years Canadian
wheat fields have averaged 20 bushels to the acre—many yields as high as
5 bushels to the acre. Wonderful
crops also of Oats, Barrley, and Flax.
