Foley's Money and Tar for This!
Stops La Grippe Coughs!
 The quickest and simplest way to stop an ugly, hard, dry cough is to take **Foley's Money and Tar**.
 In it, you get the curative influence of the pipe-bilum (so beneficial for inflamed bronchial tubes and sore chest) and other healing ingredients, together with the mollifying, laxative action of honey.
 It cures and soothes the inflamed surfaces of the throat, puts an end to the hard, racking cough, stops tickling and hoarseness.
 Brodop, Ind., P. O. Previews writes: "Two bottles of Foley's Money and Tar cured me of a severe cough following an attack of la grippe."
