## FIRE AT CLARENCEVILLE

Mysterious Fire Burns Brownie Cook's Big Barn to Ground

Thursday morning the big red barn belonging to Brownie Cook on Grand River at Clarenceville burned, together with a quantity of hay and tools, an automobile belonging to Detroit parties and one of Mr. Cook's horses.

Discovering his barn to be on fire Mr. Cook rushed to the scene and attempted to liberate his three horses. The team was gotten out, but another horse burned to death.

The fire was discovered about 2 o'clock a. m., but before help could be secured the big barn was beyond saving. The structure was an up-to-date arranged building, on which Mr. Cook carried no insurance and consequently is a total loss.

No clue to the origin of the fire was available, and as Mr. Cook left everything in good shape when he did his chores Wednesday evening, it is thought to have been set on fire.

Nice sugar snow Thursday morning.

### Former Farmington Resident

George Hogle, brother of Supervisor James L. Hogle, of this village, died at his home in Pontiac last Sunday as a result of a stroke of paralysis with which he was taken on the streets of Pontiac on February 12th.

Mr. Hogle was born in this township on September 17, 1860, spending his younger life on the farm, later acting as clerk in a Nov grocery store, during which time he studied law through correspondence and was admitted to the bar in 1892, taking up the practice of law in Pontiac, where he was for several years circuit court commissioner and later supervisor of the third ward for three years. He was also a clerk in the office of the Michigan railroad commission at Lansing for three years, his later years being devoted to the practice of law, and also being engaged in the real estate business in Pontiac, where during the past year he had been chairman of the real estate board.

In 1887 he was married in marriage with Miss Madge Wright, of Novi, and four children, Fred A. Hogle, of Camp Custer; Mrs. Catherine Brown, of Plymouth; Mrs. Marguerite Pickard, of Frances M. Hogle, of Pontiac. Mrs. Hogle died in 1898, and in 1900 he was again united in marriage with Vinnia Whitcomb, of Pontiac, who, together with the above children and Miss Amy C. Hogle survive him.

Besides Supervisor Hogle he leaves one brother, Burton Hogle, of Detroit, and one sister, Mrs. Gertrude Nickelson, of Detroit, besides many close friends here and at Pontiac, where the funeral was held Tuesday afternoon and attended by the Oakland County Bar association in a body, the remains being placed in the vault at Oak Hill cemetery, that city.

The Weekly War News Digest, issued by the government, publishes an article giving men in military service the privilege of writing letters to their home newspapers, and we would welcome all such. We would also be pleased to receive a photograph of each boy from this vicinity in the service, preferably in uniform. Will you see that we get one?

### New Idea Club Party.

Friday night occurred the Red Cross benefit conducted by the Ladies' New Idea club, which proved to be a decided success in every way. Weather conditions were just right, and about 100 couple, aside from the goodly number of spectators, showed the true patriotic spirit by being at the Town Hall and participating in this social event.

The Macons and the O. E. S. orders very generously assisted in allowing the use of their rooms, and all conveniences up stairs, where the dancers partook of a supper of delicious cakes, sandwiches, fried cakes, pickles and coffee. The tables were prettily decorated, and each plate had a napkin bearing the Red cross. Thanks to Mrs. Beardsley and Miss Day; also the school children, who did their "bit" in preparing them.

The music was fine and "Ma and Dad" said they had the best time of their lives, and helped Uncle Sammie too. Seventy dollars was the amount turned over to the local Red Cross treasurer, this sum being the balance after expenses were paid.

### Junior Red Cross Benefit

There will be an entertainment tonight and tomorrow night, March 1st and 2nd, at the Town Hall, for the benefit of the Junior Red Cross of this village that will be worth your while attending.

The pupils of our school will compose the cast of a patriotic entertainment entitled "For Freedom's Sake," supported by a chorus of 30 pupils.

This is said to be one of the best high class musicals ever participated in by local talent, all of whom have been drilled by a first class instructor, who will also render several readings during the program.

Remember, tonight and tomorrow night, and fill the house, thereby giving the young people a lift in their work for the boys "over there."

See the advertisement in another column, buy a ticket and go. You will enjoy the evening's entertainment.

### Ladies Literary Club.

Sixteen members were present at the regular meeting of the Ladies' Literary Club, which was held Wednesday, February 27th, at the home of Josephine McGee.

The program for the afternoon consisted of two papers—"Property Rights of a Woman in Her Own State; Her Right to Her Children; Labor Laws for Women and Children," by Mrs. Florence Moore, and "Laws Governing Contracts, Taxation, Civic Ordinances," by Nellie Dickinson. The next meeting will be held March 13th, with Agnes Chamberlin.

### From All Over.

The Brighton Argus began its 39th year last week; 21 of which S. B. Jacobs has been "at the helm." The Argus is one of our best exchanges.

C. B. Cook, of Owosso, has been appointed county agricultural agent for Oakland. Every section of the county will be organized in the near future.

Plans are in the making for an aerial mail route between Washington, Philadelphia and New York. Machines carrying 300 pounds of mail, 200 miles without a stop will be put in commission soon.

## Have You This Emblem In Your Home?

## Are You Observing The Requests Of The Food Card Of 1918?

MONDAY WEDNESDAY AND ONE MEAL DAILY	TUESDAY AND ONE MEAL DAILY	ALL DAYS ALL MEALS
WHEATLESS	MEATLESS SATURDAY PORKLESS	FAT SAVING AND SUGAR SAVING

**REMEMBER---** THIS WAR IS OURS, and if Food is to be the large factor in winning it, we must be ready to furnish the food that will help the most.

**REMEMBER---** THAT WORLD NEEDS AND FAMILY HEALTH, not family income or family preference, must regulate WHAT WE EAT.

**REMEMBER---** THAT FOOD SUBSTITUTION, NOT ECONOMY ALONE is the keynote of the requests from the Food Administration, for we need for shipment wheat, sugar, fats and meat—especially pork products.

**REMEMBER---** This may mean that you must use less palatable foods that cost no less, but this is part of our sacrifice for democracy.

**REMEMBER---** That there are increasing demands upon women for war work of all kinds, and, therefore, the busy housewife must use SIMPLE FOOD, SIMPLE METHODS OF PREPARING FOOD, and all the short-cuts possible to save time and strength.

### Meatless Days and Meals

Help, by reducing the consumption of meat per person for meals in which meat is used. Buy smaller quantities of meat than you need to, but prepare in such a way that there is enough for the whole family. The flavor of meat may be extended by using bread, crackers, crumbs, cooked oatmeal, cornmeal, cracked wheat and hominy, in soups, meat loaves, casseroles, dishes, meat pies, baked apples, etc.

Salads and hash. In this way you give your family a wholesome, comparatively inexpensive dish which will satisfy their craving for the flavor of meat.

The eggs which are added to meat loaf serve to bind it together, and when eggs are expensive, the thickened gravy from the meat will answer the same purpose. Use all left-overs of meat. They can be used to advantage in making soups and gravies or they can be added to scrambled potatoes to give additional flavor.

### COTTAGE PIE.

1 1/2 C raw or cooked ood meat  
1/2 C pepper  
2 C mashed potato  
2 T fat (drippings, etc.)  
2 T flour or 1 T cornstarch  
2 C meat stock, tomato juice, etc.  
Salt and pepper.  
Cook meat, season with salt and pepper (or onion if desired). Cook fat and flour together, add meat and pour into hot, browned baking dish. Cover with seasoned mashed potato and brown slowly in oven.

### MEAT LOAF.

1 1/2 C dry bread crumbs, cooked oatmeal, etc.  
1 T grated onion  
1/2 C stock or water  
1/2 T oil or butter  
1/2 T chopped meat—fresh or cooked  
1/2 C salt  
1/2 C pepper

Mix ingredients thoroughly, shape into loaf, place in greased pan, dredge with flour. Bake 30 minutes. If cooked meat is used, bake about one hour if raw meat is used, basting occasionally.

Help by observing strictly meatless days and meals. The average housewife has for years prepared and served dishes which are in reality excellent meat substitutes, although she has not thought of them in that way. By planning her menus so that one or more of these dishes will be served at the special meals, the problem of meatless meals will be solved. In general, milk and milk products, such as American cheese and cottage cheese—eggs, fish, nuts, beans and peas may be used as meat substitutes. Increase the fat allowance of milk and decrease the fat allowance of meat. Milk is not relatively an expensive food.

### Reduce Sugar Consumption

If the present shortage of sugar is to be met, it is necessary for each person to reduce his portion to 3-4 pound a week. There are so many sweet foods available that this patriotic duty can be as yet no real deprivation. The sacrifice is very small, but let us not forget to make it.

Omit candy and frosted cakes. Use less sugar in tea and coffee. Avoid desserts and cakes requiring large amounts of sugar.

Reduce amounts of sugar in customary recipes.

Substitute for sugar—corn syrup, honey, etc. For all practical purposes 1 C syrup equals 1 C sugar plus 1-4 C liquid. With honey, molasses, or sorghum use soda, as the leavening agent, since the acid in these sugar substitutes calls for a neutralizing alkali.

Use sweet fruits, such as figs, raisins, dates, etc. Cook breakfast cereals with chopped figs, raisins, or dates, and serve without sugar.

Dried currants are about 75% sugar. Dates currants are about 75% sugar. Raisins currants are about 75% sugar.

Prunes are about 75% sugar. Dried apples, apricots, etc., are from 50% to 65% sugar. Use them fresh and have cane and beet sugar. Soak well; cook slowly in same water, and they will not need additional sweetening.

### Use More Cottage Cheese

Cottage cheese or Dutch cheese, as it is often called, is one of the very best of substitutes for meat. It is richer in protein than most meats and is very much cheaper.

Serve it often. Teach your family to like it by serving it in different ways. Season it carefully, and add enough cream or milk to make it appetizing. Chopped onion or chopped green pepper, or both, are a delightful addition.

Many people like cottage cheese with something sweet, as fruit preserves, jams, etc. Serve with bread or crackers.

Mrs. Frank Moss and twin daughters, of Walled Lake, came Wednesday to spend the remainder of the week with her brother, Ralph Lepley and wife.

### New Firm

In appreciation of the several years of service by Messrs. Will Way and Clyde Adams, F. L. Cook & Co. will on March 1st (today) turn over to these young men their plumbing, tinning and repair department, and hereafter this department conducted by the young men who are well and favorably known throughout this section.

Cook & Co. state that they will co-operate with the young men and gladly recommend them for all service in their line.

Both Mr. Way and Mr. Adams have been connected with the department for some time and are competent workmen, accommodating and courteous, and we bespeak for them a successful business career among the business men of our village, which we are confident they will attain.

According to a report from the prosecuting attorney's office, in Pontiac, an investigation made into the affairs of Royal Oak township, shows a shortage of about \$8,000 in the township treasurers' accounts during the past seven years, making an excess of over \$11,000 paid by the other townships of the county, which should have been paid by Royal Oak. The prosecutor is asking for warrants for the several township treasurers who cannot explain the shortages.

### CHURCH NOTES.

#### Salem Evangelical

Rev. A. C. Stange will preach next Sunday morning at 10:45, eastern time, in the Clarenceville German church.

The Farmington Ladies Aid meets on the first Wednesday of each month at the parsonage.

#### Methodist Church

Rev. James Priestley, Minister.

The Lenten messages by the pastor are being greatly enjoyed. Next Sunday morning the third of these will be given. The Lenten period can be of value only as the Christian life is developed and these messages are designed with that end in view. Do not miss them.

Next Sunday is Missionary Sunday at the Sunday school. We are anxious that it shall be a record day. There will be some interesting things told of work that our Sunday school is supporting. The study lesson is "Jesus Bringing Peace" Mark 4: 35 to 5: 20. Have you been to the Sunday evening song service. It begins at 6:30 and is for everybody. Come!

Last Sunday evening we had the latest congregation of the present pastorate. The audience greatly enjoyed the illustrated lecture on "Camp Custer." Sunday evening will be Masonic night. The Farmington lodge will attend in a body and they expect a larger delegation than last year. The pastor will preach and there will be good music.

Thursday evening March 7th there will be a Stereoscopic lecture on "Panama." This lecture is exceptionally fine. You will be there and bring your friends. Special offering.

Tuesday evening the Progressive Bible Class met at the home of Mr. and Mrs. William Heeney. At the close of the business session a most enjoyable social time was had. The March meeting will be held at the home of Mr. and Mrs. T. H. McGee and will be the time of election of officers. The letter for the Bible verses will be "O."

Don't forget our liner column.
