Mr. J. M. Hayes of Spring Place, Ga., P. O. No. 2, writes me: "I suffered with a terrible backache in the small of my back and arising was irregular and excessive to quantity. I could hardly stoop over and a terrible stinging and burning sensation. I could hardly sleep and I was tormented with my work. I began taking Foley Kidney Pills, and after awhile my urine became regular, the stinging and burning stopped, and my backache disappeared entirely."

Foley Kidney Pills are sold everywhere in 20c and 50c sizes. This 50c size is the more economical buy, as it contains 2 1/2 times as many pills as the 20c size.
