In an item last week our reporter stated that the O. E. S. had turned over their dining room to the Red Cross for a work room. Beginning next week the Enterprise will run a series of full page advertisements paid for and donated by the merchants and business men of Farmington for the boosting of the third Liberty Loan. One each week will be found on page three. They are most interesting reading and appeal to you strongly for your part in "putting over" this loan. Besides these full pages there will also be found a number of smaller ads. Uncle Sam MUST have the money, and we believe you are going to "help him out."
