The quantity of grain to the feed exchange in a print growth of the young animals, and for this reason feed heavily with grain, while others are satisfied with a slow growth and try to carry their young stock largedy on roughings. Either extracted the wine and a median a safe right of the feed on the such as a such price of the such with the such as the such asuch as the such a

SHIPMENT OF DAIRY CATTLE

Not Advisable to Ship Fresh Cows
Long Distances Except in Fast
Express Cars.

Do not ship fresh cows long dis-

Do not ship fresh cowly long dis-inces unless in express cars under particularly favorable conditions. The stepnes tayofted naturally limits such operations to valuable purbored indi-tional training and the spain, as a resuit of being shipped shortly after freshening or so as to catly the transit, fresh cows have been rulned so far as the next lactation has been con-cerned.

# CHANGE IN THE

"Making a Living" Idea Has De veloped Into a "Money Making Fact,"

A few years ago—and not so many at that—most farmers were satisfied if they saw ahead of them the opportunity of make a fair living, a reasoluble, competejce in their failing years, and an assurance, of the existence for their families. They worked hard, and tilled their series with this end in view. Honois struggle, caruset effort and in true conception of upright manhood, together with this end in view. Honois struggle, caruset effort and in true conception of upright manhood, together with the increasing knowledge that upon the fruits of their endoavor rested the structure of their endoavor in the fail to the f
