CRUSHING OF GERMANY CAN BE  
ACCOMPLISHED ONLY BY OUR  
FINANCIAL AID.

### RESPOND TO LIBERTY LOAN

Appeal to All True Citizens to Help  
Eliminate the Queased Tree Lying  
Across the Path of True Demo-  
cracy.

(By WINSTON CHURCHILL, Who  
Recently Returned From the War  
Zone.)

Germany may be likened to a great  
tree that has fallen across the path  
of democracy. The trunk is being  
chopped through by two axes, the mili-  
tary and the propagandist, and  
if the trunk is to be severed and  
the obstruction removed, neither ax  
must be spared. Americans must con-  
tribute willingly to help their allies,  
to support their army and navy, which  
will be the deciding military factor in  
the struggle.

Our American president was the  
first world statesman to make clear  
that while a military victory is neces-  
sary, it is not itself adequate.  
The great significance of this war  
lies not on the battle lines, but behind  
them. It is a war for human liberty,  
and that which restricts human  
liberty, not only in the German em-  
pire, but also in America and England  
and France and Italy and Russia  
must be abolished. We are beginning  
to perceive that the future peace  
of democracy depends on national  
unselfishness and international co-opera-  
tion scientifically conceived.

I issued World Proclamation.  
In a series of masterly state papers  
Mr. Wilson has announced to the world  
that America enters the war unselfish-  
ly, and has defined the true issue  
for all the peoples of the earth—even  
for those deluded portions of the Ger-  
man population which, because of  
the system of education have hithe-  
erto upheld the hands of the worst  
enemies of liberty, the Junkers. Until  
quite recently, one of the most dis-  
quieting symptoms from the point of  
view of the allied war was a discontent  
with, if not an actual opposition to, the  
war of large elements among the work-  
ing classes of the allied peoples. In  
Russia, where democracy was needed,  
the peasants and the workmen were  
hardest, a revolution actually  
took place—a revolution that has  
sounded the keynote of the war.

## WHY CHART LACKED DETAIL

Wife Found It Simply Impossible to  
Put Down All the Remarks  
Hubby Had Made.

A physician needed a nurse's medi-  
cal chart, but had none at hand. The  
nurse's wife was nursing him, so he  
drew lines on a sheet of paper to re-  
present a chart. He instructed the wife  
how to fill it out and left.

Next day the physician called, looked  
at the chart and was puzzled to find  
so many remarks registered, far re-  
moved from things medical—remarks  
most irrelevant, in fact. He asked an  
explanation from the wife—and he got it!  
"Wife motioned the physician to  
follow her into the adjoining room,  
whispering to him that she did not  
wish husband to hear the apology she  
must make for him.

"You see, doctor, I couldn't put down  
all the remarks he made, even if you  
didn't want to know them. I'm awfully  
sorry—but you—see—he used so  
many swear words about you, doctor,  
because you wanted to 'know every  
word a man said.'"

## GREEN'S AUGUST FLOWER

Has been used for all ailments that  
are caused by a disordered stomach  
and inactive liver, such as sick head-  
aches, constipation, sour stomach,  
nervous indigestion, fermentation of  
food, palpitation of the heart caused by  
gases in the stomach, August Flower  
is a gentle laxative, regulates digestion,  
both in stomach and intestines, cleans  
and sweetens the stomach and intes-  
tinal canal, stimulates the liver to se-  
crete the bile and impurities from the  
liver. Sold in all civilized countries.  
Use it a trial—Adv.

## Contrariness.

"Speaking of the Kaiser's contrary  
or arbitrary attitude in this peace  
talk," says a well-known legislator,  
"reminds me of the Kansas farmer  
who was elected to the state legisla-  
ture a few years ago. The farm-  
er was called to the chair during a  
debate to act as speaker pro tem. A  
motion was made to lay a certain res-  
olution on the table. The speaker put  
the motion like this:

"All those who want the resolution  
to lay on the table say 'aye!' All those  
who want to be contrary say 'no!'"

Fighting for Oppressed.

"This is the spirit in which America  
has entered the war. We are fighting  
for the oppressed everywhere. And  
we are equally determined that the  
justice and inequalities that exist in  
our own government, the false stand-  
ards of worth, the materialism, the  
luxury and waste shall be purged from  
our midst. We shall seize this oppor-  
tunity to flush up the cleansing of our  
own household. To sustain our army  
and navy in the struggle for such a  
cause, to uphold our president, to aid  
our allies who have fought so long and  
sacrificed, I am confident that the re-  
sponse of the American people to the  
third Liberty loan will be generous.

Bonds Feed the Boys.

Every farmer knows his boys  
like to eat. Mother's fried chicken  
and apple dumplings and pumpkin pies  
haven't a chance in the world when  
the boys sit down at table. Lots of  
farmers boys are in France and the  
farmer doesn't want them to go hun-  
gry over there. Liberty Bonds buy  
food for them.

Don't Bury Your Bond.

When you and your neighbor have  
bought your Liberty Bonds, don't take  
them home and hide them in the cup-  
board. Take them to your country  
banker and have him give you a cer-  
tificate of deposit for the bonds. Your  
banker can take these bonds to a Fed-  
eral Reserve bank and borrow money  
for your use in case you suddenly find  
yourself in need of funds. Hiding a  
bond is as bad as hoarding money. Keep  
the bonds and the money in circulation  
and the country will pull through this  
crisis all right.

## Middle Aged Women.

Are Here Told the Best Remedy  
for Their Troubles.

Freemont, O.—"I was passing through the critical  
period of life, being forty-six years of age and had all  
the symptoms incident to that change—heat flashes,  
nervousness, and was in a general run down condition,  
so it was hard for me to do my work. Lydia E. Pink-  
ham's Vegetable Compound was recommended to me as  
the best remedy for my troubles, which it surely proved to  
be. My feet felt better and stronger in every way since  
taking it, and the annoying symptoms have disap-  
peared."—Mrs. M. Goodman, 925 Napoleon St., Fremont,  
Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegeta-  
ble Compound restored my health after everything else  
had failed when passing through change of life. There  
is nothing like it to overcome the trying symptoms."

## Scenes of Prosperity

Are Common in Western Canada

The thousands of U. S. farmers who have accepted  
Canada's generous offer to settle on homesteads or buy  
farm land in her provinces have been well repaid by  
bountiful crops of wheat and other grains.

Where you can buy good farm land at \$15 to \$30  
per acre—get \$2 a bushel for wheat and raise 20 to  
45 bushels to the acre you are bound to make money  
—that's what you can do in Western Canada.

In the provinces of Manitoba, Saskatchewan or  
Alberta you can get a

**HOMESTEAD OF 160 ACRES FREE**

Other land at very low prices.

During many years Canadian  
wheat fields have averaged 20 bushels  
to the acre—many yields as high as  
45 bushels to the acre. Wonderful  
crops also of Oats, Barley, and Flax.

Mixed Farming is as profitable an  
industry as grain raising. Good  
schools, churches, markets convenient,  
climate excellent. Write for literature and

It shows that Swift & Company sells the meat from  
a steer for less money than the live steer cost!

Proceeds from the sale of the hide, fat, and other by-products  
covered all expense of dressing, refrigeration, freight, selling  
expense and the profit of \$129 per steer as shown by Swift &  
Company's 1917 figures as follows:

Average price paid for live cattle	per steer	\$84.45
Average price received for meat		68.97
Average price received for by-products		24.09
Total received		93.06
This leaves for expenses and profit		8.61

Building-up for the Spring Attack at  
the Front is a good deal like putting  
the body in condition for an invasion  
of the germs of grip, pneumonia or  
"Spring fever" here at home.

At this time of the year most people  
suffer from a condition often called  
Spring Fever. They feel tired, worn  
out, before the day is half thru. They  
may have frequent headaches and  
sometimes "simply" or pale skin and  
white lips. The reason for this is that  
during the winter time, shut up with-  
in doors, eating too much meat and  
too little green vegetables, one heaps  
fuel into the system which is not burned  
up and the cinders remain to poison the  
system—a clogging up of the circula-  
tion—with inactive liver and kidneys.  
Time to put your house in order.

For an invigorating tonic which will  
clear the blood, put new life in the  
body, sparkle to the eyes, and a  
wholesome skin, nothing does so well  
as a glyceric herb extract made from  
Golden Seal root, Blood and Stone  
root, Oregon grape root and Wild  
Cherry bark. This can be had in con-  
venient ready-to-use tablet form at all  
drug stores, sixty cents, and has been  
sold for the past fifty years as Dr.  
Pierce's Golden Medical Discovery. By  
the reason of the nerves feeding on the  
blood, when the blood is pure the  
nerves feel the effect, and neuritis or  
other nerve pains disappear because  
much pain is the cry of the starved  
nerves for food. When suffering from  
backache, frequent or scanty urines,  
rheumatic pains here or there, or that  
constant tired feeling, the simple way  
to overcome these disorders is merely  
to obtain Dr. Pierce's Anuric from  
your druggist. In tablets, sixty cents.

grateful letters I receive every day

any good. I saw your ad and got one box  
and sure you mean things for the good  
it has done me. There isn't a blotch on  
my head now, and I couldn't help tell  
about Peterson, for the cure is great. I  
have used it for 15 years. I am great. I  
have for the only ointment that re-  
lieves me, besides the pills sent to have
