Ten Reasons Why Michigan Should Send  
TRUMAN H. NEWBERRY  
to the United States Senate

- First—Because of his marked ability. As a business man, as a member of Roosevelt's Cabinet and as a Commander in the Navy he has shown himself capable and efficient.
- Second—Because of his broad experience in national affairs. As Secretary of the Navy he came into close touch with Congress and legislative action, knows how laws are made and is thoroughly familiar with legislative processes.
- Third—Because he is a worker. "A man who does things."
- Fourth—Because of his splendid record—Able seaman on the "Vandal" in the Naval Reserves—Lieutenant on the "Yosemite" in the Spanish-American war—Secretary of the Navy and now a Commander, he has always "made good."
- Fifth—Because he is a Michigan man. Michigan born and bred and a part of his business and industrial life, he is in close touch with the affairs of our great state. He knows Michigan conditions and needs.
- Sixth—Because of his integrity and high character. Truman H. Newberry stands always for a "square deal."
- Seventh—Because he is genial, approachable and sympathetic. Much of his time is taken up with doing things to help, personally, the boys in the Navy and he delights to be of service to them.
- Eighth—Because of his good judgment and balance. He is dependable and reliable.
- Ninth—Because of his 100% Americanism. Not only in the service himself, but his two sons as well, he is doing all he can at his post of duty to help to win the war. He is the "Win-the-War" candidate.
- Tenth—Because of his knowledge of the war. He is the best man we have in Michigan to help solve the problems arising and to arise out of this, the greatest conflict in history.

Ability—Experience—Industry—A Splendid Record—Integrity—Honesty—Helpfulness—Good Judgment—Knowledge—Experience of War Conditions and Problems—all these are found in Truman H. Newberry.

HE IS THE BEST QUALIFIED MAN IN MICHIGAN FOR UNITED STATES SENATOR.
