CANDIDATE FOR REGISTER

Arthur W. Spencer, of Avon, is in the race for Register of Deeds of Oakland County; is a local product whose name it gives the Clarion much pleasure to present to our readers and the voters of the county for their consideration at the primaries to be held August 27.

By occupation Mr. Spencer is one of Avon's substantial and progressive farmers. As a sideline to tilling the soil, a so necessary occupation during these strenuous war times, he is supervisor from his township, now most capably filling his third term, holding several important committee appointments.

For two years he was treasurer of the Monitor Insurance Company, another position of trust in which he made good and formed a large acquaintance throughout the county.

Mr. Spencer has always taken an active part in City, Township and County affairs, always being depended upon to do his 'bit' in the many patriotic moves.

Avon township is certainly entitled to representation at our county seat, the most, if not all but one of the important offices, now being held by Pontiac men, and in the candidacy of Mr. Spencer for register of deeds the county has one man on whom it can depend to fill the duties of the office in a clean, conscientious and capable manner.

Your vote for Arthur W. Spencer for register of deeds at the August primaries will be appreciated, not only by Mr. Spencer, but by his many friends throughout the county.

MacDonald FOR SHERIFF

To the Voters of Oakland County:

GENTLEMEN: -

After living in Oakland County for 24 years, there are some reasons of vast importance that remunerative ones why I wish to be your Sheriff.

I have had considerable experience along this line, under directorship, which I could not harmonize, and I covet the privilege of now being director, that I may stand squarely before the people of Oakland County on my merit.

If nominated at the August primary and elected at the November election, I pledge to the law abiding citizenship of the county an administration which will not be a blot in Oakland County's history.

On the grounds of law-enforcement and enforcement to all alike, I ask support at the
