# Help That Weak Back!

IN THESE trying times the utmost effort of every man and every woman is necessary. But the man or woman who is handicapped with weak kidneys finds a good day's work impossible, and any work a burden. Lame, achy back; daily headaches, dizzy spells, urinary irregularities and that "all beauthout the common out" feeling are constant sources of distress and should have prompt attention.

Don't delay! Neglected kidney weakness too often leads to gravel, dropsy or Bright's disease. Begin using Doan Kidney Fills todsy. They have brought thousands of kidney sufferers back to health. They should help you.
