Women in Banks.

The First National bank of Boston, Muss., had 124 women on April 1. It mow has 240. A restroom with kitchen-citte and everything to make the women comfortable at luncheon bour has been established and tubes with writing materials and magazines make it more bouelies. The first have force to the complete of the first have force to the complete of the property of the bunk, to help the make it has been expose from the bank to the force. Most of the banks can show the same increase in vomen workers.

The Trouble.

She—Alice and I can hardly understand each other over the phone.

He—Well, talk one at a time.

United States government recently ordered \$145,000,000 worth of meat in Chicago.
