**TV Today** by **DIANE DVIO**

The threat of pay television is alarming to many theatre owners. They believe it would end the need for people to travel outside their homes to see movies. So far several well-financed efforts to start pay television have failed miserably. The reason being that pay television simply could not find enough programs that subscribers were willing to pay for. Some day someone may find the key to programming pay television. Until then the motion picture theatres will continue to house thousands of movie-goers daily.

Be sure to come to **BEECH TELEVISION**, 28118 W. Six Mile Road, Detroit 40, KE 3-2825, when you want a new Magnavox television or stereo. We carry Magnavox exclusively, and our sets are 100% guaranteed by Magnavox and BEECH TELEVISION. Magnavox also has a NEW warranty on color picture tubes. 29457 W. Six Mile Road, KE 3-7450 and KE 3-7451 is the address of our service center.

HELPFUL HINT: To water small plants, use an empty plastic catnip squeeze-type container partly filled with water. No chance of overflowing.
