DANDRUFF MAKES HAIR FALL OUT

A small bottle of "Danderine" keeps hair thick, strong, beautiful.

Girls! Try this! Doubles beauty of your hair in a few moments.

Within ten minutes after an appli-ation of Danderfne you can not find a single trace of dandruff or falling hair and your scalp will not lich, but what will please you mist will be after a few when you see new hair, fine

all please you misst will be after a tew weeks' use, when you see new hair, fine and downy at lirst—yes—but really new hair—recoving all over the seath. A little Danderine immediately don-lets the board yet your hair. No dif-ference how dult, faded, brittle and scraggy, just moisten a cloth with Dan-derine and carefully draw it through your hair, taking one small strand at a line. The effect is amazing—your hair will be light, furfy and way, and have an appearance of abundance; an in-comparable lustre, softness and luxu-riance.

Get a small bottle of Knowlton's Danderine for a few cents at any drug store or tollet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treaiment—that sell—you surely can have beautiful hair and lots of it if you will just try a little Danderine—Adv.
