You can now buy Gildemeister's "Peerless Flour"

without substitutes, but we know that people who have been using them will want more.

Some people say that Barley Flour makes better Pancakes than buckwheat.

A little Corn Flour with our Peerless makes a nice crisp Pie Crust, much nicer than clear wheat.

Rice and Oat Flour make certain pastries better than wheat.

Everybody likes some of the good things you can make with Corn Meal.

We offer these suggestions to those who have substitutes on hand, and invite you to try them out, so as to use up your supply, and we feel certain that most of you will be so well pleased that you will want to buy more.

COAL

"Help Uncle Sam care for Our Boys by Buying Coal Now"

Every car of coal unloaded now gives Uncle Sam one more car for the movement of food and other supplies. When winter weather comes trains move slow. Transportation becomes congested, and our Government's food program must not be held up on account of those who fail to provide for their winter's fuel now. For immediate delivery we offer

Kentucky and West Virginia Lump and Egg Coal and Pennsylvania Rescreened Coke
