outs on the Pirates. This recent game, the Red team has gotten so strong on defense this wasn't necessary and they were able to hold the Pirates to one using at no score.

For the tough Pirates, Chris Christman got a powerful three for four. Eddie Anderson also for the Pirates got a two for three, and Dan Gumbly was a very out-standing player for this mighty Pirate team.

For the high spirited Red team, who win or lose are great with good sports and lots of power. Bobby Menbach did an excellent job in the field and did a great job at bat. Bobby Zaidan did an excellent job at second base, and played a great defensive game. Shaun Hall played in the tough battle to the finish and did an excellent job as catcher.

At the High Meadow diamond, the Phillies, who haven't showed too much power until now, came from behind and clobbered the Powerful Braves with a 6-2 win. The Phillies have come a long way since the start of the season.

For the Phillies, Rod Bell got a single and played well. Dave Mandel got a single and did well in the field. Greg Jones got a single and a triple and played well in the field.

The Braves, who were in second place during the first half of the T-Ball season, gave a good solid fight.

Turning Saturday's game the Cards beat the Red team at Bond South by a 10-4

score. The Cards were held to four innings without runs, and made their runs during the first and fourth innings only.

Bobby Almond got a good two for two and caught a fly ball during his defensive plays, he almost made a home run, but was tagged out by one Card, even though there were six Card players waiting there for him. The first baseman for the Cards was the one who tagged Bobby out.

The Dodgers, who have been down on their luck for wins, had a come back at Harrison and by beating the Giants with a score of 10-3. David Cherkal caught two fly balls and is an excellent defensive player. Sam's Troyan was a very heavy player with two catches and two fly balls for outs against the Dodgers, who have only one loss.

On Highmeadow diamond, the Cubs confronted the Braves and came up with a great victory. So far in the second half of the season they are undefeated and in first place for the winners of the second half of the T-Ball season. and Pete Jackson and Steve Romington during the fierce battle against the Braves. Steve got three good hits, Pete got one hit and was good in the field and Brad got two good hits and one key catch while in the field.

The Brave team members all stick together whether win or lose. During the first half of the season the Braves were in second place of winners. Coach Kott is a and has been working with the Braves on hitting. When the T is gone it is a lot harder to hit the ball, even if your coach does throw it to the batter. The Braves are a really fine team to watch.
