An informal nite out at the Inn.

Our casual, comfortable Ten Eyck Room offers you a delightful alternative to our nationally famous Early American Room.

We have a new "family menu" in the Ten Eyck. If your tastes tend toward the simpler dishes, you'll find them here - at family prices. Yes, chicken-in-the-basket, thick hamburgers, slow-roasted prime ribs, seafood platters, to name a few. And, as always, full-course dinners for the hearty appetite. 271-2700.

The Dearborn Inn
"Across from Grandfield Village"

Bridge

Partnerships that open with a forcing club are more likely to be able to bid slams with limited point count, where there is no long suit to provide tricks through length.

The hand in the diagram is an example. The combined partnership has only 25 high-card points. It is not a freak deal for there is no long suit, but every high card and both singletons are full values.

East-West Vulnerable
South Deals

South	West	North	East
1 ♠	pass	1 ♣	pass
2 ♠	pass	3 ♠	pass

The opening one-club bid showed 16 points. Partner was free to jump in clubs because his first response limited his hand to eight points. The three club bid was a splinter bid to show the heart fit and a singleton. A series of cue-bids showed that North had the right cards.

At most tables South was declarer at four. The lead was often the eight of hearts and declarer had no difficulty cross-ruffing to make eight to add to four side-suit tricks.

Leading high from a doubleton is standard procedure, but a doubleton trump should be an exception. Against the slam West led the two of hearts and the story was different. When South tried to cross-ruff, West still had eight to ruff the third round of diamonds.

Another line of play would have succeeded but South's problem was much more complicated than those in four who received the "high" trump lead.

Mrs. Weiss gets award

A Spiritual Adoption Certificate, covering the cost of maintaining an orphaned child in Israel for a year, was awarded to Mildred Weiss by Pioneer Women.

The Farmington woman, who will be establishing residence in Florida this summer, was honored for her 30 years of service in Pioneer Women, both locally and nationally, at a gathering in Michigan last week.

She is the recipient of the Shalom Award, given by the Women's Division of Israel Bonds, was program chairman of the National Jubilee Year convention of Pioneer Women and headed the National Children Services Fund Raising Department.

Locally Mrs. Weiss is a past president of the Detroit Council of Pioneer Women, and a past president of the Brandon Chapter.

She is the wife of Milton, and the mother of Mari Sue and Judith Penn.

Spiritual Adoption is an ongoing project of Pioneer Women. The cost for contribution to the support of a child is \$300 a year.

Help your house keep its cool

There are several things you can do to help your room air conditioner keep the inside of your home cool and that saving summer heat outdoors where it belongs.

- Improve your home's insulation (seal doors, windows and close fireplace flue)
- Draw drapes or blinds on the sunny side of the house
- Keep the air filter clean, and check to be sure the air flow is not blocked by drapes or furniture

Following these tips will help you and your house keep its cool.

WHY...

There is a reason why our customers prefer our coats after they're shopped. They say the quality is better, the fullness is greater and the fit is perfection. This is only possible when you manufacture your own, eliminating the skin dealer and manufacturer's profit. Incidentally, the prices are lower. Our selection of mink garments is one of the largest in Canada.
