THE NEW WEDGES — Two classic looks in footwear — the new wedge heel: left, light rust moccasin-front laced shoe in softest calf and suede combination has leather-covered wedge and heel lift; and right, camel-tone buffalo hide, handsewn, slightly-squared moccasin slip-on with high vamp has stacked wedge treatment accented with designer logo heel dot.

When you start school, start with a fresh new look. Come down to The Pant Station and receive a 20% discount on the most fashionable clothes in town.
