Water Saver gets large order

Water Saver Systems Inc of Farmangton Hills was recently awarded orders to build two of its larger units for use in Vene-mela

ruela

The company manufacturers sealed, corrosion free, water-cobing systems for industrial equipment. The two systems for suppment to South America will be among the larger zem discharge unts built to

date
Togther they will be dorfig a cooling job
that would normally require nearly 347 millan gailors of water per year. With the
controlled closed systems from Water
Saver, only 1,210 gailous seaded in eight system for constant recirculation will be re-
