Lifetime of carving

These pieces are from a nine-piece set of antique dining room furniture, priced at \$25,000, that will be displayed at the annual Fall Antique Show at Somerset Mall in Troy. The solid walnut set was commissioned by the Marquis de Aragon in 18th century Spain. The set represents a lifetime of work, each panel delicately carved from the original Velasquez paintings. Mr. and Mrs. Andy Kalik, from whose Northville antique shop the furniture comes, speculate that a prisoner may have been commissioned to create the work since no signature can be found.
