## Farmington squad Cheerleaders take trophy

The Farmington High School varsity cheerleading team should be more than ready for action this fall after having been named as the National Grand Champions Team at recent competition in Lansing. Team members are captain Martha Leidlein, co-captain Lynn Korte, Valerie Milliken, Julie Fournier, Vicki Sechrist, Cathy Mullen, Patty Harvey and Lee Deeg. The girls won the honor for their flashlight routine.

The competition was conducted by the United States Cheerleader Association, Camps All American, the world's largest cheerleading organization.

Trophies were awarded for the top teams and top individuals judged on their leadership and performance of cheers.

### Equipment is available

The Oakland County Easter Seal Society for Crippled Children and Adults, 1105 North Telegraph Road, Portae, operates an equipment loan program for the residents of Oakland County.

There are many types of equipment available including wheel chairs, walkers, canes, helmets, cranes, and standing tables. There is no charge for any of the loan equipment, but a physician's referral is necessary.

The Easter Seal Society is also in need of additional loan equipment. If you have any wheel chairs, walkers, or other types of rehabilitative equipment that you would like to donate to help a handicapped person that can't afford new equipment, please call the information and referral number: 338-9330.

The Farmington squad participated in the special performance category, which consisted of Pom-Pom routines, skits, individual talent and group routines. Twenty-six squads competed in the group routine category. Each routine was judged on originality, precision of movement and crowd appeal.

This is the first Farmington High squad to have been invited to compete in the championships.
