

THE EXOTIC LOOK OF NEW NATURALS

**The
Sunrise
Bed**

light & natural, inc.

689-4071

The rising sun on this bed frame is symbolic of an awakening era—the era of natural furniture products. The return to natural products has been growing rapidly during the past ten years, first in foods, then clothing, and now home furnishings. At Light & Natural you will find a whole new world of exotic new naturals.
