signer Jane Stehle.

The exterior of the house is an exact copy of the "Michigan Victorian style" house in Greenfield Village. It was built for the man by William Malloy. The interior is another story.

"You go into the house expecting a typical Birmingham

colonial and it's really a nice shock to find something else," Ms. Stehle said.

The original floor plan was changed completely to accommodate the man's lifestyle. Instead of having the original small, cramped rooms, he decided to delete most of the walls to create

Many people have been following our ads that point out how unusual and different our approach is to building custom homes. Well ... NOW is the time to take advantage of our fall building schedule. It is true that prices are going up daily.

Do yourself a favor: October will be your last chance at '76 prices. To convince you that NOW is the time to stop THINKING about building, we are offering to you for each house sold in October a free Jacobson Snow Blower.
